

2nd Announcement & Call for papers

13th International Symposium on Novel and Nano Materials

ISNNM-2014

June 29(Sun.) ~ July 4(Fri.), 2014
Krakow, Poland

Registration Fee

	Early	On-site
Regular	\$700	\$800
Student	\$500	\$550
Spouse	\$200	

Full Paper

Authors whose abstracts are accepted will be duly requested to submit the 4 pages of full paper during March 1 ~ June 29, 2014. (Template for each journal will be announced soon). Submitted articles will be peer-reviewed for publication in designated SCI/SCIE journals.

Invitation

The 13th International Symposium on Novel and Nano Materials (ISNNM) will focus on the overall nanomaterials researches such as Advanced Powder Metallurgy, Advanced Materials Processing, Novel Functional Materials, Nanocomposites & Nanoporous Materials, Energy Materials, Characterization & Modeling, Resources & Recycling, Rare Metals, Advanced Nuclear Materials and Mechanical Alloying & Mechanochemistry. All main aspects of these materials will be covered, including synthesis, mechanism, microstructures, properties and applications. The symposium will provide the latest research results and a state-of-the-art overview of technology in the exciting and rapidly evolving field of nanomaterials. Symposium sessions will also include invited lectures from internationally distinguished scientists discussing topics ranging from the most recent discovered materials to the latest techniques of production. Manufacture's contributions and exhibits are welcome to promote further interaction between the scientists and the industry. Registration and contributions for the Symposium in the form of oral or poster presentations are warmly invited and is open to all. Selected papers will be published in SCI/SCIE journal after peer review.

Tadeusz SLOMKA

Chairmen of Organizing Committee

International Symposium on Novel and Nano Materials

ISNNM-2014

Conference Information

Title	13 th International Symposium on Novel and Nano Materials (ISNNM-2014)
Period	June 29 - July 4, 2014
Venue	AGH University of Science and Technology, Krakow, Poland
Hosted by	Korean Powder Metallurgy Institute and AGH University Krakow

Conference Scope

The scope of the conference will be broad, covering all aspects of novel and nano materials.

Symposia

- Advanced Powder Metallurgy
- Advanced Materials Processing
- Novel Functional Materials
- Nanocomposites and Nanoporous Materials
- Energy Materials
- Characterization and Modeling
- Resources & Recycling
- Rare Metals
- Advanced Nuclear Materials
- Mechanical Alloying & Mechanochemistry

Important Dates

- Abstract submission	March 15, 2014
- Early registration	April 15, 2014
- Full Paper due	June 29, 2014

ISNNM-Organizing Committees

General Chair

Jung-Ho AHN Jan KAZIOR Young Do KIM Tadeusz SLOMKA

Secretary General

Call for Abstracts and Papers

The organizing committee of ISNNM 2014 invites all interested individuals to submit abstracts to be considered for oral/poster presentation. The presentation will be grouped according to the symposia listed above. Anyone who is interested in oral/poster presentation should submit an abstract no later than March 15, 2014. Abstract should be submitted on-line only through the conference website www.isnnm.org
